| Assignee: | ericbsd                           | % Done:     | 100%        |
| Category: |                                  | Estimated time: | 0.00 hour |
| Target version: | GhostBSD 11-ALPHA | Target version: | GhostBSD 11-ALPHA |

Description
because pulseaudio is the default sound system in GhostBSD, pavucontrol should also be available.

History

#1 - 10/25/2016 10:22 PM - asxbsd
- Target version set to GhostBSD 11-ALPHA

#2 - 12/28/2016 01:16 AM - ericbsd
- Status changed from New to Feedback
