Description
If I right click the MATE Applications and select Help, mate-user-guide seems to not be installed by default. Maybe have it installed by default.

History
#1 - 01/15/2019 07:39 PM - ericbsd
mate-user-guide does not exist yet in FreeBSD ports.

Note for myself: mate-user-guide will need to be created in FreeBSD ports

#2 - 04/03/2019 09:15 PM - ericbsd
- Target version deleted (GhostBSD 18.12)

#3 - 04/22/2019 10:46 PM - ericbsd
- Status changed from New to Not started
- Assignee set to ericbsd

I will add it when I will port Mate 1.22.

#4 - 05/11/2019 06:00 PM - ericbsd
- Status changed from Not started to Done
- Target version set to GhostBSD 19.09
- % Done changed from 0 to 100

I have added it [https://www.freshports.org/misc/mate-user-guide/](https://www.freshports.org/misc/mate-user-guide/)
